**RE: Cyromazine Technical II – EPA Registration N. 83558-37
Fast Track Amendment – to add new uses recently approved for the active
ingredient and label formatting**

Dear Mr. Johnson,

Makhteshim Agan of North America, Inc. (d/b/a ADAMA) is hereby submitting a fast track amendment to the product **Cyromazine Technical II (EPA Registration N. 83558-37)**.

The changes on the label are as follows:

- Adding name of active ingredient to the MOA box;
- Adding new uses recently approved;
- Changing the registrant name to ADAMA.

In support to this action, we are submitting the following documents:

- 1) Pesticide Application Form 8570-1;
- 2) Proposed label (highlighted and clean versions);
- 3) Copy of the final rule with established tolerances for Cyromazine; and
- 4) Transfer letter of the product from Syngenta to ADAMA.

If you have any question regarding this submission, please contact me by e-mail at miriam.frugis@adama.com or by phone: (919) 256-9329.

Sincerely,

Miriam Frugis
